Registration 2026-27

Dear Parents,

We are delighted that you are interested in the variety of programs offered at Calvary Baptist School! The 3-page enrollment packet will give you a snap-shot of a day at Calvary and answer some of your anticipated questions. Please give us a call if you need further explanation or have any other questions.

During this past school year, we have seen children thrive in a safe and fun environment. Our teachers thoroughly enjoyed playing, singing, laughing and guiding our students, remained steadfast and are a treasure to our school!

Calvary Baptist School, with the support of Calvary Baptist Church, exists for the purpose of providing children with a Biblical foundation in a nurturing environment as they take their first steps in education. It is through the hope we have in our Faithful God and in His grace that we persevere. The needs of children have not changed, nor our commitment to them. It would be our pleasure to serve your family in this capacity.

To register: Please return the completed registration form, attached, along with the non-refundable registration fee of \$25. Classes fill quickly, so be sure to secure your spot! If applying for Begindergarten, please submit the additional survey.

*In His service,
The Calvary Baptist School Board*
